

TORTURE INSTRUMENTS LEFT BY BOLSHEVIKI

(Correspondence Associated Press)
VLADIVOSTOK, April 5.—Instru-
ments of torture the Bolsheviks are

alleged to have used against their
victims, have been found by the
Perm district inquiry commission ac-
cording to the government telegraph
agency. They include a chain whip
with thick handle, an iron bar which

was used to brand prisoners, and a
rubber knot.

COLLECTING INFORMATION

(From Wichita Beacon)
David Lawrence is going over the
country testing public sentiment at

the rate of one state a day. It is
quite safe to say that this is the
most reliable way of finding what is
not the sentiment of the country
man can be invented.

AMUSEMENTS

DOUGLAS FAIRBANKS AT THE
BUTLER THEATER TODAY

Douglas Fairbanks, the ever popu-
lar Arcturion star, scored another suc-
cess when his latest photoplay,
"Arizona," a screen version of Au-
gustus Thomas' famous play, had its
initial appearance on the screen.
This will be the attraction at the
Butler theater today. With Douglas
Fairbanks in the leading role of
Lieutenant Denton, there are no ad-
jectives that fittingly describe the
charm of the picture, its thrill, its
tremendous suspense, heart interest
and dramatic qualities. The story is
familiar to most playgoers, and it will
be unnecessary to repeat it here, and
indeed much of the pleasure to those
who do not know the plot will lie in
their inability to guess the outcome
of the twisted story. Suffice to say
it deals with affairs at a ranch and
an army post at the period of the
Spanish war, and the love affairs of
the officers present a tangled skein
which is only unraveled at the end.
Never has a better cast been chosen
for a picture and too much can
scarcely be said for the work of all
concerned.

Added to the program will be a
Paramount-Bay cartoon, "Tomorrow
Ethel Barrymore in one of the very
best pictures in which this talented
star has ever appeared. "The
Discreet" it is guaranteed 100 per
cent. Also Louise Fazenda, the noted
comedian in "Her First Mistake,"
a Mack Sennett comedy.

TESTS MADE BY INFANT BUREAU

(Correspondence Associated Press)

WASHINGTON, May 21.—Weighing
and measuring tests of children
were held in 16,811 communities dur-
ing the Children's Year campaign,
instigated by the Children's Bureau to
reduce the infant mortality rate. To
this total should be added many re-
cords coming from rural sections not
listed as postoffices. One-third of
the total communities having post-
offices in the United States held
tests.

Illinois had the greatest number of
cities and towns participating in the
campaign—1281. Wisconsin led in the
actual number of babies weighed and
measured, at already announced, but
the records came from 1065 towns,
ranking third in that respect. Iowa
was second in the number of com-
munities participating, having 1212,
and Ohio was fourth with 944. In-
diana came fifth with 786. From
far-off Hawaii three cities—Honolulu,
Kokua and Tora—sent records.

The weighing and measuring cam-
paign is being followed up by the
work of local committees seeking to
make permanent the improvements
shown by the tests to be necessary.
Many communities are employing pub-
lic health nurses and providing cen-
ters where the poor can obtain free
medical advice.

GERMAN ACTORS STRIKE AGAINST OLD DRAMAS

(Correspondence Associated Press)

BERLIN, April 15.—The actors of
the municipal theater at Dortmund
announced the management to remove
Schiller's "Maids of Orleans" and
Kleist's "Prince of Homburg" from
the theater's repertoire on the
ground that "the nonconformity of
these plays with the spirit of the age
is an insult for modern theatergoers,
and further for modern theatergoers,
called upon to play roles whose in-
tellectual content is in opposition
with the actors' own views."

Let Us Send You a "Swift Dollar"

For a Pocket Piece

It will interest you.

It shows where the
money goes that Swift &
Company takes in.

It shows that out of every
dollar received by Swift &
Company from the sale of meat
and by-products in 1918—

- 1—Swift and Company
paid for live animals 85.00 cents
 - 2—Swift and Company
paid out for labor,
freight and other
expenses - - - 12.96 cents
 - 3—Swift & Company
had left a profit of
only - - - 2.04 cents
- Total 100.00 cents

The 2.04 cents remaining as
profit equals only a fraction of a
cent per pound. It is too small
to affect materially the price of
live stock to the farmer or the
price of meat to the consumer.

A "Swift Dollar" will be mailed
